

\*\*\*\* FULL DATABASE BACKUP RESULT SUMMARY #1 \*\*\*\* Backup Time:

12-23-2010\_22.40.14 Backup Group [#1]:

#1 : [SQLSVR - Confluence] Error : Failed to create snapshot [SQLSVR : Confluence].

#1 : [SQLSVR - Confluence] Error Details: [SnapDrive Error]: Creation of backup (sqlsnap\_\_sqlsvr\_12-23-2010\_22.40.14) failed. Reason: (The request channel timed out while waiting for a reply after 00:10:00. Increase the timeout value passed to the call to Request or increase the SendTimeout value on the Binding. The time allotted to this operation may have been a portion of a longer timeout.).

(SnapDrive Error Code: 0xc0041074)

#2 : [SQLSVR - iTax] Error : Failed to create snapshot [SQLSVR : iTax].

#2 : [SQLSVR - iTax] Error Details: [SnapDrive Error]: Creation of backup (sqlsnap\_\_sqlsvr\_12-23-2010\_22.40.14) failed. Reason: (The request channel timed out while waiting for a reply after 00:10:00. Increase the timeout value passed to the call to Request or increase the SendTimeout value on the Binding. The time allotted to this operation may have been a portion of a longer timeout.).

(SnapDrive Error Code: 0xc0041074)

#3 : [SQLSVR - MizuniManagement] Error : Failed to create snapshot [SQLSVR : MizuniManagement].

#3 : [SQLSVR - MizuniManagement] Error Details: [SnapDrive Error]: Creation of backup (sqlsnap\_\_sqlsvr\_12-23-2010\_22.40.14) failed. Reason: (The request channel timed out while waiting for a reply after 00:10:00. Increase the timeout value passed to the call to Request or increase the SendTimeout value on the Binding. The time allotted to this operation may have been a portion of a longer timeout.).

(SnapDrive Error Code: 0xc0041074)

#4 : [SQLSVR - MizuniSIFAgentFramework] Error : Failed to create snapshot [SQLSVR : MizuniSIFAgentFramework].

#4 : [SQLSVR - MizuniSIFAgentFramework] Error Details: [SnapDrive Error]: Creation of backup (sqlsnap\_\_sqlsvr\_12-23-2010\_22.40.14) failed. Reason: (The request channel timed out while waiting for a reply after 00:10:00. Increase the timeout value passed to the call to Request or increase the SendTimeout value on the Binding. The time allotted to this operation may have been a portion of a longer timeout.).

(SnapDrive Error Code: 0xc0041074)

#5 : [SQLSVR - nkpos] Error : Failed to create snapshot [SQLSVR : nkpos].

#5 : [SQLSVR - nkpos] Error Details: [SnapDrive Error]: Creation of backup (sqlsnap\_\_sqlsvr\_12-23-2010\_22.40.14) failed. Reason: (The request channel timed out while waiting for a reply after 00:10:00. Increase the timeout value passed to the call to Request or increase the SendTimeout value on

the Binding. The time allotted to this operation may have been a portion of a longer timeout.).

(SnapDrive Error Code: 0xc0041074)

#6 : [SQLSVR - PrintManager] Error : Failed to create snapshot [SQLSVR : PrintManager].

#6 : [SQLSVR - PrintManager] Error Details: [SnapDrive Error]: Creation of backup (sqlsnap\_\_sqlsvr\_12-23-2010\_22.40.14) failed. Reason: (The request channel timed out while waiting for a reply after 00:10:00. Increase the timeout value passed to the call to Request or increase the SendTimeout value on the Binding. The time allotted to this operation may have been a portion of a longer timeout.).

(SnapDrive Error Code: 0xc0041074)

#7 : [SQLSVR - ReportServer] Error : Failed to create snapshot [SQLSVR : ReportServer].

#7 : [SQLSVR - ReportServer] Error Details: [SnapDrive Error]: Creation of backup (sqlsnap\_\_sqlsvr\_12-23-2010\_22.40.14) failed. Reason: (The request channel timed out while waiting for a reply after 00:10:00. Increase the timeout value passed to the call to Request or increase the SendTimeout value on the Binding. The time allotted to this operation may have been a portion of a longer timeout.).

(SnapDrive Error Code: 0xc0041074)

#8 : [SQLSVR - ReportServerTempDB] Error : Failed to create snapshot [SQLSVR : ReportServerTempDB].

#8 : [SQLSVR - ReportServerTempDB] Error Details: [SnapDrive Error]: Creation of backup (sqlsnap\_\_sqlsvr\_12-23-2010\_22.40.14) failed. Reason: (The request channel timed out while waiting for a reply after 00:10:00. Increase the timeout value passed to the call to Request or increase the SendTimeout value on the Binding. The time allotted to this operation may have been a portion of a longer timeout.).

(SnapDrive Error Code: 0xc0041074)

#9 : [SQLSVR - SOPHOS45] Error : Failed to create snapshot [SQLSVR : SOPHOS45].

#9 : [SQLSVR - SOPHOS45] Error Details: [SnapDrive Error]: Creation of backup (sqlsnap\_\_sqlsvr\_12-23-2010\_22.40.14) failed. Reason: (The request channel timed out while waiting for a reply after 00:10:00. Increase the timeout value passed to the call to Request or increase the SendTimeout value on the Binding. The time allotted to this operation may have been a portion of a longer timeout.).

(SnapDrive Error Code: 0xc0041074)

#10 : [SQLSVR - TracerESV2] Error : Failed to create snapshot [SQLSVR : TracerESV2].

#10 : [SQLSVR - TracerESV2] Error Details: [SnapDrive Error]: Creation of backup (sqlsnap\_\_sqlsvr\_12-23-2010\_22.40.14) failed. Reason: (The request channel timed out while waiting for a reply after 00:10:00. Increase the timeout value passed to the call to Request or increase the SendTimeout value on the Binding. The time allotted to this operation may have been a portion of a longer timeout.).

(SnapDrive Error Code: 0xc0041074)

#11 : [SQLSVR - update manager] Error : Failed to create snapshot [SQLSVR : update manager].

#11 : [SQLSVR - update manager] Error Details: [SnapDrive Error]: Creation of backup (sqlsnap\_\_sqlsvr\_12-23-2010\_22.40.14) failed. Reason: (The request channel timed out while waiting for a reply after 00:10:00. Increase the timeout value passed to the call to Request or increase the SendTimeout value on the Binding. The time allotted to this operation may have been a portion of a longer timeout.).

(SnapDrive Error Code: 0xc0041074)

#12 : [SQLSVR - vcenter] Error : Failed to create snapshot [SQLSVR : vcenter].

#12 : [SQLSVR - vcenter] Error Details: [SnapDrive Error]: Creation of backup (sqlsnap\_\_sqlsvr\_12-23-2010\_22.40.14) failed. Reason: (The request channel timed out while waiting for a reply after 00:10:00. Increase the timeout value passed to the call to Request or increase the SendTimeout value on the Binding. The time allotted to this operation may have been a portion of a longer timeout.).

(SnapDrive Error Code: 0xc0041074)

#13 : [SQLSVR - view\_composer] Error : Failed to create snapshot [SQLSVR : view\_composer].

#13 : [SQLSVR - view\_composer] Error Details: [SnapDrive Error]: Creation of backup (sqlsnap\_\_sqlsvr\_12-23-2010\_22.40.14) failed. Reason: (The request channel timed out while waiting for a reply after 00:10:00. Increase the timeout value passed to the call to Request or increase the SendTimeout value on the Binding. The time allotted to this operation may have been a portion of a longer timeout.).

(SnapDrive Error Code: 0xc0041074)

#14 : [SQLSVR - view\_logs] Error : Failed to create snapshot [SQLSVR : view\_logs].

#14 : [SQLSVR - view\_logs] Error Details: [SnapDrive Error]: Creation of backup (sqlsnap\_\_sqlsvr\_12-23-2010\_22.40.14) failed. Reason: (The request channel timed out while waiting for a reply after 00:10:00. Increase the timeout value passed to the call to Request or increase the SendTimeout value on the Binding. The time allotted to this operation may have been a portion of a longer timeout.).

(SnapDrive Error Code: 0xc0041074)

#15 : [SQLSVR - whd] Error : Failed to create snapshot [SQLSVR : whd].

#15 : [SQLSVR - whd] Error Details: [SnapDrive Error]: Creation of backup (sqlsnap\_\_sqlsvr\_12-23-2010\_22.40.14) failed. Reason: (The request channel timed out while waiting for a reply after 00:10:00. Increase the timeout value passed to the call to Request or increase the SendTimeout value on the Binding. The time allotted to this operation may have been a portion of a longer timeout.).

(SnapDrive Error Code: 0xc0041074)

The backup of one or more databases failed.
