**Definitions:**

**End of Full Support:** The date marking the end of Full Support for a particular feature version of a NetApp system software and the beginning of Limited Support. Abbreviated as EOES.

**End of Limited Support:** The date marking the end of Limited Support for a particular feature version of a product and transition to Self-Service Support. Abbreviated as EOVS.

**End of Self-Service Support:** NetApp does not provide support for a version of a software product, but related documentation is still available on the NetApp Support Site. NetApp customers are expected to utilize documentation to resolve issues.
